KIRK CALDWELL
MAYOR

ROY K. AMEMIYA, JR.
MANAGING DIRECTOR

GEORGETTE T. DEEMER
DEPUTY MANAGING DIRECTOR

May 28, 2020

OFFICE OF THE MAYOR
CITY AND COUNTY OF HONOLULU
EMERGENCY ORDER NO. 2020-14
(COVID-19 [Novel Coronavirus])

HO‘OULU i HONOLULU 3.0
(“RESTORE HONOLULU 3.0”)

By the authority vested in me as Mayor of the City and County of Honolulu (the “**City**”) pursuant to Revised Charter of the City and County of Honolulu 1973 (2017 Edition), as amended; the Revised Ordinances of the City and County of Honolulu 1990, as amended; the Hawai‘i Revised Statutes, as amended (“**Haw. Rev. Stat.**”); the Constitution and laws of the State of Hawai‘i (the “**State**”); I, KIRK W. CALDWELL, hereby issue this order, Ho‘oulu i Honolulu 3.0 (“**Order**”), to further address the emergency declared in the Proclamation COVID-19 [Novel Coronavirus] that I issued on March 4, 2020, Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued on March 18, 2020, and the Second Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued May 6, 2020.

The virus that causes Coronavirus 2019 Disease (“**COVID-19**”) is easily transmitted, especially in group settings, and it is essential that the spread of COVID-19 be slowed to protect the ability of public and private health care providers to handle the influx of new patients and to safeguard public health and safety.

Due to the risk of the rapid spread of the virus causing COVID-19, and the need to protect all members of the City, especially including our members most vulnerable to the virus and also health care providers, this Order requires all individuals anywhere in the City to shelter in place—that is, stay at home and work from home—except for certain essential activities and work to provide essential business, designated businesses and operations, and government services; or perform essential public infrastructure construction, including housing. This Order is effective on **May 28, 2020**, and will continue through **June 30, 2020**, subject to the limited exceptions and under the terms and conditions more particularly set forth below.

Pursuant to Haw. Rev. Stat. § 127A-25 and the Rules of the Mayor City and County of Honolulu, dated March 20, 2020 (“**Mayor’s Rules**”) promulgated under that section, each of the orders contained in this Order (“**the Orders**”) shall have the force and effect of law. The Orders

are in accordance with and incorporate by reference the Proclamation COVID-19 [Novel Coronavirus] that I issued on March 4, 2020; the Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued on March 18, 2020; the Second Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued May 6, 2020; and Hawai'i Governor David Y. Ige's Proclamation dated March 4, 2020 (as supplemented).

Violation of any of the Orders is punishable as a misdemeanor, with fines of up to \$5,000, up to a year in jail, or both. Haw. Rev. Stat. § 127A-29; Mayor's Rules.

I. ORDERS

Order 1: All individuals currently living within the City are ordered to stay at their place of residence. To the extent individuals are using shared or outdoor spaces, they must at all times as reasonably possible maintain social distancing of at least six feet from any other person when they are outside their residence and comply with Social Distancing Requirements (as defined in Section II.K, and as applicable). All persons may leave their residences only for Essential Activities, Essential Governmental Functions, or to operate or visit Essential Businesses or Designated Businesses and Operations, as those terms are defined in Section II. Individuals experiencing homelessness are exempt from this section, but are strongly urged to obtain shelter, and governmental and other entities are strongly urged to make such shelter available as soon as possible and to the maximum extent practicable (and to use COVID-19 risk mitigation practices in their operation).

Order 2: All businesses with a facility in the City, except Essential Businesses (as defined in Section II.F.) and Designated Businesses and Operations (as defined in Section II.G.), are required to cease all activities within such facilities, except Minimum Basic Operations (as defined in Section II.H.). For clarity, businesses may also continue operations consisting exclusively of employees or contractors performing activities at their own residences (i.e., working from home). All Essential Businesses and Designated Businesses and Operations are strongly encouraged to remain open. To the extent applicable and to the greatest extent feasible, Essential Businesses and Designated Businesses and Operations shall comply with Social Distancing Requirements, including the six-foot physical distancing requirement for both employees and members of the public (including customers standing in line inside and outside of the facility).

Order 3: Gatherings.

- A. Effective immediately, *outdoor* gatherings of up to ten (10) individuals (regardless of household or living unit affiliation) are permitted. To the greatest extent reasonably practicable, physical distancing of at least six (6) feet between members of different households/living units should be maintained; and face coverings should be worn. Physical distancing of at least six (6) feet between separate gatherings (of up to ten (10) individuals), if any, *must* be maintained at all times (i.e., no mingling between separate gatherings).

- B. Effective June 5, 2020, *indoor* residential and non-commercial gatherings of up to ten (10) individuals (regardless of household or living unit affiliation) are permitted. To the greatest extent reasonably practicable, physical distancing of at least six (6) feet between members of different households/living units should be maintained; and face coverings should be worn. Physical distancing of at least six (6) feet between separate gatherings (of up to ten (10) individuals), if any, *must* be maintained at all times (i.e., no mingling between separate gatherings).
- C. All other public and private gatherings are prohibited, except as permitted in Section II. Large indoor events (concerts, shows, etc.) remain prohibited. Nothing in this Order prohibits the gathering of members of a household or living unit on their property (including shared common areas).

Order 4: All travel, including, but not limited to, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit, except Essential Travel and Essential Activities (as defined in Section II), is prohibited. People must use public transit only for purposes of performing Essential Activities; or to travel to and from Essential Businesses, or Designated Businesses and Operations; or maintain Essential Governmental Functions. People riding on public transit must comply with Social Distancing Requirements, as applicable and to the greatest extent feasible. This Order allows travel into or out of the City to perform Essential Activities, operate or visit Essential Businesses, operate or visit Designated Businesses and Operations, or maintain Essential Governmental Functions.

Order 5: Non-Medical Grade Face Coverings.

All employees who work at businesses or perform services at Essential Businesses, as provided in Section II.F. of this Order, and Designated Businesses and Operations, as provided in Section II.G. of this Order, shall wear non-medical grade face coverings over their noses and mouths when engaged and interacting with customers and visitors of the Essential Business and Designated Business and Operation.

All customers and visitors of businesses and organizations defined as Essential Businesses, as provided in Section II.F. of this Order, and Designated Businesses and Operations, as provided in Section II.G. of this Order, shall wear non-medical grade face coverings over their noses and mouths to provide additional protection for employees and customers of Essential Businesses and Designated Businesses and Operations.

All passengers and users of public modes of transportation (TheBus and TheHandi-Van) shall wear non-medical grade face coverings over their noses and mouths when on board.

An owner or operator of an Essential Business under this Order, Section II.F. or Designated Business and Operation under this Order, Section II.G. *may* refuse admission or service to any individual who fails to wear face coverings.

Face coverings under this Order may not be worn only under the following circumstances:

- Within banks, financial institutions, or using automated teller machines where the inability to verify the identity of the customer or visitor of the bank, financial institution or automated teller machine poses a security risk;
- By individuals with medical conditions or disabilities where the wearing of a face covering may pose a health or safety risk to the individual;
- By children under the age of 5;
- By first responders (Honolulu Police Department, Honolulu Fire Department, Honolulu Emergency Services Department) to the extent that wearing non-medical grade face coverings may impair or impede the safety of the first responder in the performance of his/her duty;
- By children in childcare, educational, and similar facilities consistent with the latest guidance from the Centers for Disease Control and Prevention (“**CDC**”) for such facilities;
- As allowed by another provision of this Order.

The wearing of face coverings under this Order is intended to complement, not serve as a substitute, for physical distancing and cleanliness. All individuals in the City must adhere to the Social Distancing Requirements to the extent applicable and feasible.

Definition: “Non-medical grade face covering” or “face covering” as used in this Order, means a tightly woven fabric without holes that is secured to the head with either ties or straps, or simply wrapped and tied around the wearer’s nose and mouth. It can be made of a variety of fabrics such as cotton, silk, or linen and may be factory-made, sewn by hand, or made from household items such handkerchiefs, scarfs, or shirts.

Recommendation: This Order requires non-medical grade face coverings to be worn in certain circumstances. However, all individuals within the City are encouraged to wear non-medical grade face coverings over their noses and mouths when they are outside their homes and engaging with other people while performing Essential Activities, as provided in Section II.A. of this Order, even in circumstances where wearing non-medical grade face coverings is not legally required.

Any seller of non-medical grade face coverings or materials or supplies to make or manufacture such face coverings shall abide by Haw. Rev. Stat. § 127A-30.

Order 6: Opening of City Parks

City and County of Honolulu parks and botanical gardens (“**City Parks**”), are opened for use as set forth below:

- A. As determined by the City’s Department of Parks and Recreation, City Parks (or portions of City Parks) shall be open to the public for all activities permitted in City Parks by law, each park’s rules, and this Order.

- B. Consistent with Order 3 of this Order, there shall be no gatherings of more than ten (10) individuals within City Parks and physical distancing of at least six (6) feet between gatherings must be maintained at all times.
- C. Individuals (age 5 or over) engaged in permitted activities within City Parks are encouraged to wear non-medical grade face coverings to the extent it would not: (1) interfere unreasonably with the activity at issue; or (2) pose a health or safety risk to the individual while engaged in that activity.

II. DEFINITIONS AND EXEMPTIONS

- A. For purposes of this Order, individuals may leave their residence only to perform any of the following **“Essential Activities.”** However, people at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible, except as necessary to seek medical care.
 - 1. To engage in activities or perform tasks essential to their health and safety, or to the health and safety of their family or household members (including, but not limited to, pets), such as, by way of example only and without limitation, obtaining medical supplies or medication, visiting a health care professional, or obtaining supplies needed to work from home.
 - 2. To obtain necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others, such as, by way of example only and without limitation, canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, and any other household consumer products, and products necessary to maintain the safety, sanitation, and essential operation of residences.
 - 3. To engage in outdoor activity in locations as allowed by law, including this Order.
 - 4. To perform work providing products and services at an Essential Business, Designated Business or Operation, or to otherwise carry out activities specifically permitted in this Order, including Minimum Basic Operations.
 - 5. To care for a family member or pet in another household.
 - 6. To obtain services, goods, or supplies from, or engage in activities at, Essential Businesses (as defined in Section II.F) and Designated Businesses and Operations (as defined in Section II.G.).
 - 7. To visit graveyards, mausoleums, and similar sites consistent with the restrictions placed on gatherings in this Order.
- B. For purposes of this Order, individuals may leave their residence to work for or obtain services at any **“Healthcare Operations”** including hospitals, clinics,

dentists, pharmacies, pharmaceutical and biotechnology companies, other healthcare facilities, healthcare suppliers, home healthcare services providers, mental health providers, or any related and/or ancillary healthcare services, organizations collecting blood, platelets, plasma, and other necessary materials, licensed medical marijuana dispensaries and licensed medical marijuana production centers, eye care centers, including those that sell glasses and contact lenses. "Healthcare Operations" also includes veterinary care and all healthcare services provided to animals. Further, "Healthcare Operations" includes prepaid health care plan contractors as that term is defined under Haw. Rev. Stat. ch. 393, and other employer-sponsored health and welfare benefit plans, and/or individual or group health insurance plans that provides healthcare insurance benefits for payment or reimbursement for healthcare services provided by Healthcare Operations. This exemption shall be construed broadly to avoid any impacts to the delivery of healthcare, broadly defined. "Healthcare Operations" does not include fitness and exercise gyms and similar facilities.

- C. For purposes of this Order, individuals may leave their residence to provide any services or perform any work necessary to the operations and maintenance of **"Essential Infrastructure,"** including, but not limited to, public works construction, construction of housing (in particular affordable housing or housing for individuals experiencing homelessness), airport operations, water, sewer, gas, electrical, oil refining, roads and highways, public transportation, solid waste collection and removal, internet, and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services, business infrastructure, communications, and web-based services), provided that they carry out those services or that work in compliance with Social Distancing Requirements to the extent applicable and reasonably possible. This Order shall be construed and applied in compliance and consistent with the United States Department of Homeland Security, Cybersecurity & Infrastructure Security Agency Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response, updated March 28, 2020 (and any subsequent updates and guidance memoranda thereto).
- D. For purposes of this Order, all first responders, emergency management personnel, emergency dispatchers, court personnel, and law enforcement personnel, jails and prisons personnel, and others working for or to support Essential Businesses or Designated Businesses and Operations are categorically exempt from this Order. Further, nothing in this Order shall prohibit any individual from performing or accessing "Essential Governmental Functions." **"Essential Governmental Functions"** means all services needed to ensure the continuing operation of the government agencies and provide for the health, safety and welfare of the public. All Essential Governmental Functions shall be performed in compliance with Social Distancing Requirements to the extent applicable and reasonably possible.

- E. For the purposes of this Order, covered businesses include any for-profit, non-profit, or educational entities, regardless of the nature of the service, the function they perform, or its corporate or entity structure.
- F. For the purposes of this Order, “**Essential Businesses**” means:
1. Healthcare Operations and Essential Infrastructure;
 2. Grocery stores, certified farmers’ markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, and any other household consumer products (such as cleaning and personal care products). This includes stores that sell groceries and also sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operation of residences;
 3. Food cultivation, including farming, livestock, and fishing;
 4. Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
 5. Newspapers, television, radio, and other media services;
 6. Gas stations and auto and bicycle supply, auto and bicycle repair, towing services, and related facilities;
 7. Banks and related financial institutions. This provision shall be construed and applied in compliance and consistent with the United States Department of Homeland Security, Cybersecurity & Infrastructure Security Agency Memorandum on Identification of Essential Critical Infrastructure Workers During COVID-19 Response, dated March 19, 2020 (and any subsequent guidance memoranda thereto), and the United States Department of the Treasury Memorandum for Financial Services Sector Essential Critical Infrastructure Workers, dated March 22, 2020 (and any subsequent guidance memoranda thereto);
 8. Hardware stores;
 9. Plumbers, electricians, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of residences, Essential Activities, Essential Businesses, or Designated Businesses or Operations;

beverages, goods or services to residences and end users or through commercial channels, and including post office boxes;

11. Educational institutions—including public and private K-12 schools, colleges, and universities—for purposes of facilitating distance learning, performing critical research, or performing essential functions, provided that social distancing of six-feet per person is maintained to the greatest extent possible;
12. Laundromats, dry cleaners, industrial laundry services, and laundry service providers;
13. Restaurants and other facilities that prepare and serve food, but only for delivery or carry out.
 - a. Schools and other entities that typically provide food services to students or members of the public may continue to do so under this Order on the condition that the food is provided to students or members of the public on a pick-up and takeaway basis only, provided that social distancing of six-feet per person is maintained to the greatest extent possible. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or at any other gathering site;
 - b. Cafeterias, lunchrooms, or dining facilities providing food and beverage services located within “healthcare facilities” as that term is defined under Haw. Rev. Stat. § 321-15.2 and similar facilities, may continue to do so under this order, provided that consumption within the cafeteria, lunchroom, or dining facility located within the healthcare facility is restricted to employees of the healthcare facility; patients of the healthcare facility; and no more than two (2) authorized visitors of the patient of the healthcare facility that have been appropriately screened by the healthcare facility in compliance with all of the facility’s protocols related to infectious disease control measures and processes.;
14. Businesses that supply products needed for people to work from home;
15. Businesses that supply other Essential Businesses or Designated Businesses and Operations with the support or supplies necessary to operate;
16. Airlines, taxis, and other private transportation providers, vehicle rental services, paratransit, and other private, public, and commercial transportation and logistics providers providing transportation services necessary for Essential Activities and other purposes expressly authorized in this Order;

17. Home-based care for seniors, adults, or children, and/or people with developmental disabilities, intellectual disabilities, substance use disorders, and/or mental illness, including care givers such as nannies who may travel to the child's home to provide care, and other in-home services, including meal delivery;
18. Residential facilities and shelters for seniors, adults, and children, and/or people with developmental disabilities, intellectual disabilities, substance use disorders, and/or mental illness;
19. Professional services, such as legal or accounting services, insurance services, other than real estate service provider (addressed separately via Section II.G.), when necessary to assist in compliance with legally mandated activities;
20. Childcare facilities providing services that enable employees exempted in this Order to work or engage in activities as permitted. To the extent possible, childcare facilities must operate under the following mandatory conditions:
 - a. Childcare must be carried out in stable groups of 12 or fewer ("stable" means that the same 12 or fewer children are in the same group each day).
 - b. Children shall not change from one group to another.
 - c. If more than one group of children is cared for at one facility, each group shall be in a separate room or separated by a physical divider. Groups shall not mix with each other.
 - d. Childcare providers shall remain solely with one group of children.
21. Businesses that provide food, shelter, and other necessities of life for animals, including animal shelters, rescues, kennels, and adoption facilities, provided they must comply with Social Distancing Requirements to the extent applicable and reasonably possible;
22. Hotels and motels, to the extent used for lodging; and service providers to hotels and motels that provide services that are necessary to maintaining the safety, sanitation, and essential operations of the hotel and/or motel, provided that they must comply with Social Distancing Requirements to the extent applicable and reasonably possible;

- H. For the purposes of this Order, “**Minimum Basic Operations**” include the following, provided that employees comply with Social Distancing Requirements to the extent applicable and reasonably possible, while carrying out such operations:
1. The minimum necessary activities to maintain the value of the business’s inventory, ensure security, process payroll and employee benefits, or for related functions.
 2. The minimum necessary activities to facilitate employees of the business being able to continue to work remotely from their residences.
 3. The minimum necessary activities to prepare for the re-opening of Designated Businesses and Operations.
- I. For the purposes of this Order, “**Essential Travel**” includes travel for any of the following purposes. Individuals engaged in any Essential Travel must comply with all Social Distancing Requirements to the extent applicable and reasonably possible.
1. Any travel related to the provision of or access to Essential Activities, Essential Governmental Functions, Essential Businesses, Designated Businesses and Operations, or Minimum Basic Operations.
 2. Travel to care for elderly, minors, dependents, persons with disabilities, or other vulnerable persons.
 3. Travel to or from educational institutions for purposes of receiving materials for distance learning, for receiving meals, and any other related services.
 4. Travel to return to a place of residence from outside the jurisdiction.
 5. Travel required by law enforcement or court order.
 6. Travel required for non-residents to return to their place of residence outside the City. Individuals are strongly encouraged to verify that their transportation out of the City remains available and functional prior to commencing such travel.
- J. For purposes of this order, residences include hotels, motels, shared rental units, and similar facilities.
- K. For purposes of this order “**Social Distancing Requirements**” include the following:

1. High risk populations. Elderly and others at high risk for COVID-19 are urged to stay in their residences to the extent possible, except as necessary to seek medical care.
2. Persons who are sick. Persons who are sick or have a fever or cough or are exhibiting symptoms such as shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell, are urged to stay in their residences to the extent possible, except as necessary to seek medical care.
3. Personal hygiene. Persons are encouraged to wash their hands with soap and water for at least twenty seconds as frequently as possible or use hand sanitizer, cover coughs and sneezes (into the sleeve or elbow, not hands), regularly clean high-touch surfaces, and avoid unnecessary contact with others (shaking hands, etc.).
4. Six-foot distances. All persons shall maintain a minimum of six-feet of physical separation from all other persons. Essential Businesses and Designated Businesses and Operations (to the degree applicable) shall designate with signage, tape, or by other means six-foot spacing for employees and customers in line to maintain appropriate distance. Employees shall monitor and enforce the six-foot distancing requirement set forth in this Order, whether outside waiting lines or as customers move about inside a facility. Checkout operations shall be modified, to the extent reasonably feasible, to provide this separation or to provide a transparent shield or barrier between customers and checkout clerks.
5. Limited Customer Occupancy. Each Essential Business and Designated Business and Operation facility shall determine the maximum number of customers that may be accommodated while maintaining the specified separation distance and limiting the number of customers in the facility or at the operation to that maximum number at any time, to the extent there is no conflict with any existing law or order.
6. Face Coverings. All persons shall comply with the Non-Medical Grade Face Coverings requirements set forth in Order 5 of this Order.
7. Hand sanitizer and sanitizing products. Essential Businesses and Designated Businesses and Operations (to the degree applicable) shall make hand sanitizer and sanitizing products readily available for employees and customers. Employees handling items from customers, such as cash or credit cards, shall frequently utilize hand sanitizers.
8. Disinfection. Essential Businesses and Designated Businesses and Operations (to the degree applicable) shall regularly disinfect all high-touch surfaces.

9. Safeguards for high risk populations. Essential Businesses and Designated Businesses and Operations (to the degree applicable) are urged to implement processes to safeguard elderly and high risk customers.
10. Online and remote access. Essential Businesses and Designated Businesses and Operations (to the degree applicable) shall post online whether a facility is open and how best to reach the facility and continue services by phone or remotely. Essential Businesses and Designated Businesses and Operations (to the degree applicable) shall encourage their customers to do their business remotely by phone or online to the extent possible.
11. Pickup at store or delivery. Essential Businesses and Designated Businesses and Operations (to the degree applicable) shall provide for, if feasible, online ordering and purchase of goods and customer pickup of orders at a location outside the facility or shall provide for delivery to customer locations.
12. Signage. Essential Businesses and Designated Businesses and Operations (to the degree applicable) shall post a sign at the entrance of the facility informing all employees and customers that they must comply with the Non-Medical Grade Face Coverings requirements set forth in Order 5 of this Order; avoid entering the business or operation if they have a cough or fever or otherwise do not feel well; maintain a six-foot distance from one another; and not shake hands or engage in unnecessary physical contact.

III. BASIS FOR THE ORDER

This Order is issued based on evidence of COVID-19 within the City, as reported by the Centers for Disease Control and Prevention (CDC), the State Department of Health, and guidance from the City's medical advisory experts, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the City places it at risk for serious health complications, including death, from COVID-19. Due to the outbreak of the COVID-19 virus in the general public, which is a pandemic according to the World Health Organization, there is a public health emergency throughout the City. In addition, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the virus, and because evidence shows that it is easily spread, gatherings can result in preventable transmission of the virus.

The scientific evidence shows that at this stage of the emergency, it is essential to continue to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed, while also restoring the local economy. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable. This Order helps preserve critical and limited healthcare capacity in the City while taking steps to revive the economy and begin to recover as a community.

This Order also is issued in light of the existence of 414 COVID-19 cases (and 11 deaths) in the City, as well as at least 642 total confirmed COVID 19 cases (and 17 deaths) in the State of Hawai‘i, as of May 22, 2020.

IV. INTENT

The intent of this Order is to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible to continue to slow the spread of COVID-19 to the maximum extent possible, while also enabling essential services and the reopening of designated businesses and operations with modifications to re-establish continuity of social and commercial life. When people need to leave their places of residence, whether to obtain or perform vital services, or to otherwise facilitate authorized activities necessary for continuity of social and commercial life, they shall, as applicable and at all times reasonably possible, comply with Social Distancing Requirements as defined in Section II.K.. All provisions of this Order should be interpreted to effectuate this intent.

V. GENERAL

- A. **Superseding Order.** Emergency Order Nos. 2020-01 through 2020-12 issued by the Office of the Mayor City and County of Honolulu related to the COVID-19 pandemic) are hereby rescinded (to the extent they have not been already) and are superseded by this Order. Section 5 of the Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) issued on March 18, 2020, is hereby superseded to the limited extent necessary to carry out this Order.
- B. **Duration.** This Order shall take effect on May 28, 2020, and shall continue in force and effect through June 30, 2020, or until it is extended, rescinded, superseded, or amended by a subsequent order, or as otherwise provided under Haw. Rev. Stat. ch. 127A.
- C. **Enforcement.** All law enforcement of the State of Hawai‘i and City shall ensure compliance with and enforce these Orders in accordance with Haw. Rev. Stat. § 127A-29 and Mayor’s Rules.
- D. **Promulgation/posting.** This Order shall be posted on the City website as soon as practicable in one or more appropriate places, and shall remain posted while in effect.

- E. **Severability.** If any provision of the Orders or their application to any person or circumstance is held to be invalid, the remainder of the Orders, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of the Orders are severable.

Designated Businesses and Operations

1. Beaches. Starting May 16, 2020, the beach closures in Governor David Y. Ige's Seventh Supplemental Proclamation, and any subsequent proclamation, are not applicable to the City. In addition to those activities already allowed (e.g., ocean access and exercise), beaches or sand bars within the City may also be utilized with the following restrictions:
 - a. All groups are limited to members of the same household or living unit.
 - b. No group can exceed ten (10) persons.
 - c. All persons using the beach, who are not part of members of the same household or living unit, shall comply with Social Distancing Requirements, provided that a caregiver may accompany a dependent.
 - d. The beach or sand area may only be used one-half hour before sunrise to one-half hour after sunset, unless the person is engaged in shore fishing or permitted outdoor exercise.
 - e. All other State of Hawaii or City restrictions related to COVID-19 must be followed, including, but not limited to, any applicable quarantine restrictions.

This section is subject to specific beach closures as designated by the City (including any of its departments) and the State of Hawai'i Department of Land and Natural Resources.

 - ii. Compliance with applicable CDC guidelines ([available at https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html](https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html)).
 - iii. Compliance with standards and guidelines issued by industry-specific associations or similar organizations of the respective Personal Service Provider’s operations, to the extent reasonably practicable.
 - iv. Compliance with the City’s “COVID-19 Guidance for Businesses” to the greatest extent possible. <https://www.oneoahu.org/business-guidance>.
 - b. Specific Requirements. Personal Services Providers must:
 - i. Arrange seating in the establishment so that customers are separated from other customers by six (6) feet between booths/stations or have physical barriers between them.
 - ii. Ensure Social Distancing Requirements are adhered to at all times to the degree applicable and to extent reasonably practicable, including the use of face coverings by both Personal Service Providers and their customers/clients. Notwithstanding this requirement, customers may temporarily remove the face covering when necessary to complete the personal service at issue, and individuals who cannot wear a face covering

- due to a medical or health condition, and individuals under five (5) years of age are exempted from the requirement to wear a face covering.
- iii. Implement additional mitigation measures when strict physical distancing of at least six (6) feet is not feasible for a specific task. Such measures include, but are not limited to, the use of physical barriers, additional PPE (e.g., plastic face shields/masks), and minimization of such personal services, enhanced cleaning, and increased ventilation of the area with outside air.
 - iv. Ensure that all equipment that comes into direct contact with customers/clients and all furniture in service areas (such as chairs, capes, and the shampooing area in a barber shop or salon) is completely cleaned and disinfected between each customer/client in accordance with CDC guidelines and applicable law.
 - v. Implement screening measures to screen service providers and customers/clients for signs and symptoms of COVID-19 before arriving at the service provider location. If a service provider or client/customer answers “yes” to any of the following questions, they should not provide or receive services at the Personal Service Provider’s facility:
 - 1) Do you now, or have you had in the past fourteen (14) days:
 - A cough or sore throat?
 - Fever or do you feel feverish?
 - Shortness of breath?
 - Loss of taste or smell?
 - 2) Have you been around anyone with these symptoms in the last fourteen (14) days?
 - 3) Have you been out of the State in the last fourteen (14) days?
- c. Prior to reopening, all Personal Service Providers are encouraged to develop, post and implement written protocols (“**COVID-19 Mitigation Plan**”) consistent with this section; Centers for Disease Control and Prevention (“CDC”) guidance (available here: <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html>, as updated or superseded; and, to the extent practicable, with standards and guidelines issued by industry-specific associations or similar organizations. The plan should include policies regarding the following control measures: PPE utilization; on-location physical distancing; hygiene; sanitation; self-screening and symptom monitoring; incident reporting; and location disinfection procedures.
- d. Handwashing stations and/or disinfectants must be available to personal service providers and customers/clients throughout the workplace and frequently replenished.
- e. No waiting areas are allowed.
- f. No beverage service shall be provided.

- g. When making personal service appointments, Personal Service Providers should advise customers/clients of new requirements, which may include, but are not limited to:
 - i. Customer/client must self-screen for signs and symptoms of COVID-19 before arriving at the service provider location.
 - ii. Customers/clients should not plan on bringing other guests with them, unless they are bringing children younger than 16 for an appointment.
 - iii. Customers/clients should advise Personal Service Providers via call, email or text that they have arrived at the location for the appointment, and are waiting for instructions to enter.
 - iv. Customers/clients should put on a face covering prior to leaving the vehicle, and they should be prepared to wash their hands for at least 20 seconds or use sanitizer prior to starting their service.
 - v. Payments for service should be through credit or debit cards or a touchless system to reduce the handling of cash.
- h. For walk-in appointments, the Personal Service Provider should post a notice on the front door or window regarding access to the facility. The notice should include the phone number that the guest should call to determine availability of services. If service is available at the time, the walk-up guest will need to answer questions regarding COVID-19 exposure and current health, and put on a face covering before entering the location.
- i. Personal Service Providers are encouraged to follow additional best practices:
 - i. Reducing the number of customers/clients serviced at one time. E.g., using only 50% of the available work stations.
 - ii. Operators must implement measures to ensure that participants and groups waiting to use a facility or an activity open under this section maintain physical distance of six (6) feet from one another at all times.
 - iii. Cashless and receiptless transactions.
 - iv. Customers/clients entering and exiting through different entries using one-way traffic, where possible.
